

safety first

Don't cut corners with health and safety

As spending cuts bite and the pressure is on to save money - employers shouldn't cut costs by cutting corners with your health and safety.

UNISON safety reps work hard to ensure that work doesn't damage your health. They are there to help, so raise any concerns about your health and safety at work with your safety rep and encourage colleagues to do the same.

Not a UNISON member? Join online today at unison.org.uk/join or call 0845 355 0845.

Your UNISON safety rep is:

UNISON takes your health and safety seriously – so should you
