Champions Day

Wednesday 7 December 2022

On Wednesday 7 December, UNISON will be holding its first-ever Champions Day, designed to raise the profile of local government workers and highlight how much we appreciate them and the work they do.

All year, local authority staff play their part in holding our communities together, supporting us through every stage of our lives – this is the perfect opportunity to recognise and celebrate their contributions.

There are lots of ways to get involved, from holding a coffee morning to encouraging your heads of department to spend part of the day shadowing their staff, to help them appreciate the work they do.

You could even invite your MP and local councillor to your special event so they can see how important local government staff are!

There are a range of resources available via our [resource library](#) and [online shop](#) to help you celebrate. Get your colleagues involved – if your colleagues aren't members of UNISON already, encourage them to join! They can [join online](#) and it only takes five minutes.

Follow us on social media for the latest updates and to spread the word – just remember to use the hashtag #ChampionsDay
